By reference from the Director's Office, I talked with Mr. Dick Berlin at 12:00 noon today. He stated that the reason he was attempting to contact the Director was that he was very angry about the "unfair references" in the Warren report concerning the FBI. He wondered if he could be of any assistance to us.

I briefly outlined to Mr. Berlin the points made by the Director and Mr. Belmont during their appearances before the Warren Commission, particularly covering the fact that there was no information concerning a background of violence in connection with Oswald.

Mr. Berlin indicated his appreciation and stated that the Hearst Newspapers would be of assistance.

ACTION:

For information.

ADDENDUM:CDD/dgs, 9/28/64

Mr. Berlin called back at 12:15 p. m. and stated that he would have John Chamberlain, a noted columnist, call me this afternoon. Chamberlain is the columnist who took George Sokolsky's place when he died. According to Mr. Berlin, Chamberlain's column now appears in approximately 240-250 newspapers. I plan to tell Chamberlain the same thing that I told Mr. Berlin.
